H /Fremtidige forhold m. ny beplantning

A wide-angle photograph of a lush green field in the foreground, stretching towards a distant horizon. In the background, several white wind turbines are visible against a sky filled with large, grey, dramatic clouds. The overall mood is serene yet powerful, suggesting a landscape undergoing or existing in a state of transition.

Q /Eksisterende forhold

A landscape photograph showing a dirt path leading through a green field towards a construction site under a cloudy sky. The path is on the left, leading into a vast green field. In the background, there is a construction site with several tall, thin vertical structures and a long, low building with a blue roof. The sky is filled with large, grey clouds.
